

Prestwick Academy

Senior Subject Study Resources

2021 – 2022

To further support our Senior Phase with their National, Higher and Advanced Higher SQA qualifications, departments have provided subject-specific textbook and website information that can be accessed to support learning and teaching.

These resources are in addition to pupils' everyday access to classroom resources, class issued materials, TEAMs and SQA online resources.

Accounting

Higher

All workbooks/ course info is on the files tab in each Teams page for the L6 PE NPA courses; Exercise and Fitness Leadership as well as Play in a Sports environment.

Physics

National 5:

<https://achieve.hashtag-learning.co.uk/>

- An online resource that allows pupils to self-evaluate their learning against the SQA success criteria. It also has a Learn function to review any success criteria they are unsure of and then assess themselves using past paper questions linked to the specific success criteria. Marking Instructions are also included.

<http://scholar.hw.ac.uk/>

- Another online virtual textbook which includes animations and quizzes to help pupils understand the more difficult concepts in the Higher Physics course. It also has more complicated exam style questions that pupils can work through. Each pupil has their own username and password and the program is accessible via computers, tablets and mobile phones.

<http://www.bbc.co.uk/education/subjects/zpyb4wx>

- This is the BBC's CfE Higher revision website which includes video clips and quizzes to test understanding.

<https://quizlet.com>

- A flashcard app that allows pupils to learn key terms and definitions in a fun way.

All pupils also have a booklet for each topic in the course which includes all the key theory along with consolidation and extension materials and summary notes. There are also copies of all the PPT's used on Teams along with links to the booklets and apps/websites above.
