Read page 164

Answer questions 2, 3 & 4 on page 165

**Homework**  
**Food Labelling and Packaging**

## Success Criteria

I can examine and evaluate food packaging and can understand the legal requirements for manufacturers.

### Apply your knowledge

If you have finished the worksheets, your next task is to:

- Design a new food product.
- You must draw the label and packaging.
- You must use your knowledge of the information required by law and voluntary information.
- You must decide which material you intend to use and explain your choice.
