## European Young Advisor on Digital Rights
Scotland’s Children and Young People’s Commissioner (CYPC) are looking for young people aged 12-17 years old who might be interested in becoming a European Young Advisor on Digital Rights?

It’s very important that young people’s voices are heard in European and international politics and law so the CYCP are setting up a new group of 10-15 young people aged 12-17 years old in Scotland.

The group will be part of the European Network of Young Advisors (ENYA). ENYA is a group of young people from across Europe, who will come together in 2019 to advise all of Europe’s children’s commissioners on human rights and all things digital. The group will write recommendations on how to support young people on digital issues like social media, trolling and cyber bullying, mental health, sexism online, online activism, accessibility etc.

The first meeting of the Scottish ENYA group will be held soon, at the CYCP office in Edinburgh.

**JP McCabe**

**ENYA timetable:**
- May – first meeting in Edinburgh
- June – meeting somewhere in Scotland to create videos and write recommendations on digital rights
- End of June – a couple of the group will go to Brussels to meet with other ENYA young people across Europe
- End of Sept – at least one of the group will go to Northern Ireland for the annual conference of Europe’s children’s commissioners
- Oct – final wrap-up meeting
Vote for Our Sensory Garden

Popping in to Tesco? Then pop a token into the Prestwick Academy slot to vote for our Sensory Garden!

We are planning to build a Sensory Garden within the school grounds for the benefit of all pupils. We have already secured funding for the first phase of the garden but are looking to raise further money to expand the project and we need your help.

When you purchase any item in Tesco during the whole of May and June you can take a blue or red token from the checkout and use it to vote for us. A token might not automatically be given to you by the person at the checkout so please ask if you aren’t given one.

If we win the most number of votes across the five stores taking part we will receive £4,000. If we are second we will receive £2,000 and even if we come third we will still receive £1,000 however the larger the amount of money we win then the more we will be able to do in the garden.

You can vote in the following Tesco Stores:
- The main Tesco store on Whitletts Road
- Tesco Express on Main Street, Prestwick
- Tesco Express on Prestwick Road (by the Bath Store
- Tesco Express on Ayr High Street
- Tesco Express on Maybole Road, Ayr

Games Club Goes Large!

On Friday 24th May there will be an extended games club for S1-S3 pupils that will run from lunchtime until the end of the day. Spaces are limited and priority will be given to current games club members. We will again be joined by staff from Games Café so there will be opportunity to try out some new games. Pupils who would like to take part should see Miss Milne and sign up by Friday 17th May. There will be no last minute additions so please ensure you sign-up by the deadline.

Pupil Council Members

Pupil Council should meet in Science 6 TODAY Friday 10th May at 8:55am. Apologies in advance for the disruption to classes.
